

## NUN CIRCUIT

---

The Wellness Circuit, immersed in an impressive and historical setting, includes the remains of a Roman amphitheater of mysterious and rare beauty. The ruins of a Roman temple of the first century B.C. and six limestone pillars of the first century A.D. reflect in the waters of the multi-massage pool and relaxing jacuzzi. Inside the halls of the Nun Circuit, (Tepidarium, Calidarium, Sudatorium and Frigidarium) the cult of the ancient Romans for the spa and body care relives.

A welcoming tea room is available for our guests.
